**Dr. Radhakrishnan.R. Nair, Ph.D,**  
Scientist EII,  
Head, LMMD,  
Laboratory Medicine & Molecular Diagnostics,  
Rajiv Gandhi Centre for Biotechnology,  
Kerala.

Laboratory Medicine & Molecular Diagnostics (LMMD) facility is the only NABL and NABH accredited molecular diagnostics in the government sector. With high incidence of epidemics in Kerala, LMMD provides 42 viral and many bacterial tests. Affordability, accuracy, credibility and punctuality have helped us in setting an exemplary standard in better diagnostics.
